DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Presents

**Workshop on Current Challenges in Intellectual Property Rights and
Biotechnology**

12-09-2022 to 14-09-2022

ABOUT THE COLLEGE

Brilliant Grammar School Educational Society's Group of Institutes (Faculty of Engineering & faculty of Pharmacy) was established in 2009, promoted by Brilliant Grammar School Educational Society's Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG Courses CSE, CSE-AI&ML, CSE-DS, ECE, EEE, MECH, CIVIL, and aiming for perfection in engineering and management education. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages co-curricular activities like seminars, workshops, symposiums etc.

ABOUT IPR CELL

An Intellectual Property Right (IPR) Cell has been formed to provide Knowledge by coordinating and conducting activities related to the Intellectual Property Rights in the Institution and also to create awareness among the stakeholders to save individuals work or ideas

ABOUT THE WORKSHOP

Entrepreneurs are defined as agents who bring about economic change by combining their own effort with other factors of production in search of economic rents. The institutional setup is argued to determine both the supply and direction of entrepreneurial activity. Four key institutions are explored more closely: property rights protection, savings policies, taxation and the regulation of labor markets. Institutions have far-reaching effects on entrepreneurship, and they largely determine whether or not entrepreneurial activity will be socially productive. Due to the responsiveness of entrepreneurship to the institutional setup it is maintained that in-depth analyses of specific institutions are required in order to further our understanding of the determinants of entrepreneurial behavior and the economic effects of entrepreneurship.

REGISTRATION

It is open to all faculties, Students and Research Scholars. No registration fee. Register on or before 10/09/2022 through the following link. [Registration Application form](#)

SCHEDULE:

Date & Time	Topic	Speaker
12/09/2022 9:30 am to 12:30 pm	If a true “modern bioeconomy” is to emerge in the years ahead, intellectual property will no doubt play a critical role. Intellectual property rights – the manner in which they are recognized, traded and managed, nationally as well as globally – will influence the form such a bioeconomy takes, where it will flourish and flounder, and to whom the principal benefits will flow.	Mr.Naresh reddy HR,Manager
13/09/2022 9:30 am to 12:30 pm	Agenda and the WHO’s Intergovernmental Working Group on Public Health, Innovation Intellectual Property. Throughout our analysis we Endeavour to take the present “development divide” into account, recognizing that the emergence of a modern bioeconomy portends, in the eyes of some, a new dimension of wealth and health inequity along a “biotechnology divide”, or else risks being perceived as a mechanism that helps perpetuate the status quo.	
14/09/2022 9:30 am to 12:30 pm	our review of the evidence and analysis of diverse IP regimes is necessarily overarching in nature and subject to certain limitations, including space. We are also working with certain definitions of “health” and “industrial” biotechnology and, insofar as possible, attempting to limit our inquiry with those definitions in mind.

Abdullapur (M), Abdullapurmet (M), R.R. Dist-501505

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2008 with EAMCET Counseling Code **BRIG**. The college is under the dynamic leadership of the veteran **Director, Dr. S PENIEL PAUL DOSS, M.Tech (Thermal Engg.), Ph.D** and **Principal, Dr.CH.KANTLAM -PHARMACY**, who have more than 25 years of experience in Technical Education.

ABOUT THE DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering Department of grooms the young minds in both fundamentals of computation and computer's interaction with the world. Computer Science Engineers develop new algorithms, invent new systems and theories that empower people and society, and advance the science of computing around the world and beyond.

Our Vision

To be an eminent of center of excellence in the field of computer Science & Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

Our Mission

To impart quality education to create efficient computer Science & Engineering who can compete at the global level.

To build State-of-the-art research facilities in computer Science & Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.

OBJECTIVES

- .To offer quality education in computing..
- Take data and transform it into graphic drawings.
- Learn basic computer logical tools formats.
- Learn advanced programming skills.
- .Learning in Computer Science And Problem Solving

OUTCOMES

- Student's ability to hand letter will improve.
- Student's ability to perform basic Language techniques will improve.
- Students will be able to draw projections and sections.
- Student's ability to use engineering scales will increase.
- Student's ability to produce engineered Program skills will improve.
- Students will become familiar with office practice and standards.
- Students will become familiar with OOPs.

SCHEDULE:

Date & Time	Topic	Speaker
11/10/2022 10:00 am to 12:00 pm	Creativity in qualitative research depends on the strength of a priori conceptualization and stiffness of the adapted methods of research and analysis. If the methodology is more flexible (as the methodology of grounded theory), the researcher can get to phenomena that he/she has not realized and which are still scantily explored in his/her field of expertise.	Dr. shaikAzmalHussian MBA PhD.
12/10/2022 10:00 am to 12:00 pm	The phenomenological and contemplative approaches allow the use of the investigator's feelings and experience as they appear in the studied phenomena which usually does not take place in objectifying and positivistic research.

DIRECTOR-IC
Brilliant Grammar School Educational
Society's Group of Institutions (7Q)
Abdullapur (M) Abdullapurmet (M), R.R. Dist-501505

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2008 with EAMCET Counseling Code **BRIG**. The college is under the dynamic leadership of the veteran

Director Dr.S.PENIEL PAUL DOSS, PhD and Principal, Dr.CH.KANTLAM – (Pharmacology), PhD, who have more than 25 years of experience in Technical Education.

ABOUT THE DEPARTMENT OF ELECTRONICS & COMMUNICATIONS ENGINEERING

The Department of Department of Electronics and Communications Engineering, Department of grooms the young minds in both fundamentals of computation and Digital interaction with the world. Electronics and Communications Engineering develop new algorithms, invent new systems and theories that empower people and society, and advance the science of computing around the world and beyond.

Our Vision

To be an eminent of center of excellence in the field of Electronics & Communications Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

Our Mission

To impart quality education to create efficient Electronics & Communications Engineering who can compete at the global level.

To build State-of-the-art research facilities in Electronics & Communications Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.

OBJECTIVES

- .To offer quality education in computing
- Take data and transform it into graphic drawings.
- Learn basic Digital logical tools formats.
- Learn advanced programming skills.
- .Learning in Embedded, VLSI And Problem Solving

OUTCOMES

- Student's ability to hand letter will improve.
- Student's ability to perform basic Language techniques will improve.
- Students will be able to draw projections and sections.
- Student's ability to use engineering scales will increase.
- Student's ability to produce engineered Program skills will improve.
- Students will become familiar with office practice and standards.

POST EVENT REPORT

Workshop on Creative Thinking in Qualitative Research and Analysis

11-10-2022 to 12-10-2022

Days	11 th October 2022 to 12 th October 2022
Resource Person	Dr.shaikAzmalHussian MBA PhD.
Profile	He is well known Educational Trainer & Professor in Management Studies. The speaker created interest by showing videos and Collected innovative Ideas from the students, speaker has presented how it will be add advantage to the organization and individual itself, Professor has made a mark as forward thinking towards trouble shooting to the next level.
Topic	Creative Thinking in Qualitative Research and Analysis
Session Overview	I would like to present the possibility of broadening the traditional methodological and technical skills of researcher and analyst, but also the intellectual capacity of the researcher associated with combining data, categorizing, linking categories, as well as the interpretation of the causes and consequences of the emergence of certain social phenomena. Some methodologies, methods, and research techniques are more conducive to creative conceptual and interpretive solutions.

SCHEDULE:

Date & Time	Topic	Speaker
20/02/2023 10:00 am to 12:30 pm	Modularity is a means of partitioning technical knowledge about a product or process. When state-sanctioned intellectual property (IP) rights are ineffective or costly to enforce, modularity can be used to hide information and thus protect IP. We investigate the impact of modularity on IP protection by formally modeling the threat of expropriation by agents.	Dr.J.Venu Gopal MBA PhD Vishwaraaya College of Engineering and Technology
21/02/2023 10:00 am to 12:30 pm	The principal has three options to address this threat: trust, licensing, and paying agents to stay loyal. We show how the principal can influence the value of these options by modularizing the system and by hiring clans of agents.	
22/02/2023 10:00 am to 12:30 pm	Thus exploiting relationships among them. Extensions address screening and signaling in hiring, the effects of an imperfect legal system, and social norms of fairness.

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2009 with EAMCET Counselling Code **BRIG**. The college is under the dynamic leadership of the veteran Director, **Dr.D. SATHYAVATHI, Ph.D.** Who have more than 25 years of experience in Technical Education?

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius **Sri Kasireddy Narayan Reddy**, an eminent and dynamic educationalist of our state, taking reigns as the **Chairman** of all the colleges in **Brilliant Group of Technical Institutions**.

ABOUT THE DEPARTMENT OF PHARMACY

Department of Pharmacy is part of Brilliant Grammar School Educational Society's Group of Institutions. The Department has grown very well over the years and is now one of the best departments in the state.

The mean motto of department has been to distinctively intend the course to develop manpower which meets the global constraint of skilled professionals in the rapidly growing needs pharmaceutical industries, education, research, development and marketing. The admirable lab amenities, modern computer labs, methodically designed curriculum, and The Department provides adequate weight-age on placing the theoretical conception into practice by assigning industrially relevant problems and the same is clearly reflected in the curricula of the Pharmacy courses.

The Department, with its versatile staff, teach and promote the learning practice and also serve as a brainwave to the students to their research activities. They follow the **BRILLIANT PATTERN** to mould the students into be an outstanding professional with use of the advanced teaching techniques and learning support of technology. Eminent personalities in the field of pharmacy who are associated with both academic institutions and industries across the country visit the department to enlighten the students with their inspection by sharing their experiences. Graduates of our college are well accomplished pharmacy practitioners and exceptionally doing well in both India and abroad.

Our Vision

To become a center of excellence the pharmacy discipline with a strong research and teaching environment.

Our Mission

To provide qualitative education and generate new knowledge by engaging in cutting edge research and by offering state of the art undergraduate, post graduate, leading careers as computer professional in the widely diversified of industry, government and academia. To promote a teaching and learning process that yields advancements in state of art in pharmacy in integration of research result and innovative into other scientific discipline leading to new products.

To harness human capital for sustainable competitive edge and social relevance by including the philosophy of continuous learning and innovation in pharmacy.

To develop graduates to compete at the global level.

To provide inculcate team work, imbibe leadership qualities, professional ethics and social responsibilities.

OBJECTIVES

To enhance innovation: By combining the strengths and expertise of industry and academia, collaboration can lead to the development of new products, services, and technologies that drive innovation.

OUTCOMES

1. Enhanced innovation: Collaboration can lead to the development of new products, services, and technologies that may not have been possible without the expertise and resources of both industry and academia.
 2. Increased competitiveness: Collaboration can help businesses to stay competitive by accessing new knowledge, skills, and technologies. It can also help academics to remain relevant by staying up to date with industry trends and challenges.
- Improved research quality: Collaboration can lead to higher quality research by combining the expertise and resources of both industry and academia. This can help to address complex challenges and produce more impactful research outcomes.

BRILLIANT

No of Participants	102
photo	
Session Overview	<p>The principal has three options to address this threat: trust, licensing, and paying agents to stay loyal. We show how the principal can influence the value of these options by modularizing the system and by hiring clans of agents, thus exploiting relationships among them. Extensions address screening and signaling in hiring, the effects of an imperfect legal system, and social norms of fairness.</p>
Topic	Modularity and intellectual property protection
Profile	<p>He is well known Educational Trainer & Professor in Management Studies. Uses and functions of correct data with tabulation techniques. The speaker created interest by showing videos and collected innovative ideas from the students, speaker has presented how it will be add advantage to the organization and individual itself,</p>

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2008 with EAMCET Counselling Code **BRIG**. The college is under the dynamic leadership of the veteran **Director, Dr. S PENIEL PAUL DOSS, M.Tech (Thermal Engg.), PhD and Principal, Dr. D. SATYAVATI, M.Pharm (Pharmacology), PhD**, who have more than 25 years of experience in Technical Education.

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius **Sri Kasireddy Narayan Reddy**, an eminent and dynamic educationalist of our state, taking reigns as the **Chairman** of all the colleges in **Brilliant Group of Technical Institutions**.

ABOUT THE DEPARTMENT OF MECHANICAL ENGINEERING

The department of Mechanical Engineering was established in the year 2013. The department offers B.E (Mechanical Engineering) Our mission is to create a research hub engaged in contemporary research in association with industries and other reputed institutions, impart best-of-class education to students with up-to-date curriculum and content in tune with industry requirements and foster a spirit of entrepreneurship among students to enable a few launch their own ventures. The department has highly qualified and experienced faculty members with some of them holding PhD and some are registered for the same.

Our Vision

To be an eminent center of excellence in the field of Mechanical Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

Our Mission

To impart quality education to create efficient Mechanical Engineers who can compete at the global level.

To build State-of-the-art research facilities in Mechanical Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.

OBJECTIVES

- Learn sketching and taking field dimensions.
- Take data and transform it into graphic drawings.
- Learn basic engineering drawing formats.
- Learn basic **AutoCad** skills.
- Learn who draw 2D drawings in AutoCad

OUTCOMES

- Student's ability to hand letter will improve.
- Student's ability to perform basic sketching techniques will improve.
- Students will be able to draw projections and sections.
- Student's ability to use engineering scales will increase.
- Student's ability to produce engineered drawings will improve.
- Students will become familiar with office practice and standards.
- Students will become familiar with **AutoCAD** two-dimensional drawings.
- Students will develop good communication skills and teamwork.

POST EVENT REPORT

Workshop on Technology, Innovation Management, and Entrepreneurship

03-03-2023 to 04-03-2023

Days	03 rd March 2023 to 04 th March 2023
Resource Person	Mr.B.Praveen , Business Head , Crystal Technologies, Ph: 9949567467
Profile	Person can use Strategic Thinking about Movement From Global to Local During the study, they shared advanced tools and information also
Topic	Technology, Innovation Management, and Entrepreneurship
Session Overview	We thus seek scholarly manuscripts that are not only concerned with technological innovation at the business and in-dustrial levels, but also those that consider multiple organizations, regions and countries. We seek new developments not only in methodology and practice, but all must offer new contribution to theory. We are particularly interested in manuscripts that are concerned with broad issues and thus have the potential to be most impactful.

SCHEDULE:

Date & Time	Topic	Speaker
27/03/2023 01:30 pm to 03:30 pm	The information cycle is the way events are processed through the media and how it changes over time. recognize how information changes over time, identify a variety of information formats, use information format in the evaluation process, use library tools to find the information you need	Dr.N.Ramana Reddy MBA PhD Sreyas Institute of Engineering and Technology
28/03/2023 01:30 pm to 03:30 pm	The information cycle provides some guidance about the <i>reliability of Information</i> . We can make decisions about the trustworthiness of sources using what we know about how information is produced, including the speed of Publication and who might be involved (or not involved) in that process. Different levels of effort and review are expended in the production of each source.

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2009 with EAMCET Counseling Code BRIG. The college is under the dynamic leadership of the veteran Director, Dr. K KUMAR, M.Tech (Production Engg.), Ph.D. Who have more than 25 years of experience in Technical Education?

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius Sri Kasireddy Narayan Reddy, an eminent and dynamic educationalist of our state, taking reigns as the Chairman of all the colleges in Brilliant Group of Technical Institutions.

He has been leading the Brilliant Grammar High Schools to be among the top-notch schools in our state since 1986. With the same motivation and dynamism, he established the Brilliant Group of Technical Institutions in 2009 and has been constantly upgrading them perpetually to promote a valued technical education in our state.

ABOUT THE DEPARTMENT OF CIVIL ENGINEERING

The department has strong focus in the research areas of transportation systems engineering, Geo Technical engineering, Ocean Engineering, Remote sensing & Construction technology and management. The department of civil

Engineering has been functioning since 2009 with emphasis on fundamental theory and practice in civil engineering, keeping in view that current and continuously changing scenarios in this discipline. The department offers a full time B.Tech degree course in civil engineering. Apart from conducting academic programs, additional computer courses, seminars and workshops are conducted for the students as well the faculty. A number of consultancy works are also being carried out. The department was under the affiliation to JNTU, Hyderabad. The department has well experienced faculty. In addition to teaching and instruction, a faculty is also engaged in active research with an aim to generate innovative concepts & ideas or apply the existing technologies to new applications.

OUR VISION

To become a pioneering department in the country for teaching, research and consultancy in existing and emerging areas of civil engineering.

OUR MISSION

- To impart quality and real time education to contribute to the field of civil engineering..
- To impart soft skills, leader ship qualities and professional ethics among the graduates to handle projects independently.
- To develop graduates to compete at the global level.
- To deal with the contemporary issues and to cater to the societal needs.

POST EVENT REPORT

Workshop on Information sources and the information cycle

27-03-2023 to 28-03-2023

Day	27 th March 2023 and 28 th March 2023
Resource Person	Dr.N.Ramana Reddy MBA PhD
Profile	There was a good interaction between students and the Guest. How a Person can use Emerging Trends in Digital Analytics During the study, they shared advanced tools also. The speaker created interest by showing videos and Collected innovative Ideas from the students
Topic	Information sources and the information cycle
Session Overview	Familiarity with the information cycle can help us identify both reliable and available sources for our research projects. Understanding how information is produced can inform us about the strengths and weaknesses of these source types for our research.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Presents

Workshop on Research Methodology “Artificial Intelligence Startups”

21-10-2022 to 22-10-2022

ABOUT THE COLLEGE

Brilliant Grammar School Educational Society's Group of Institutes (Faculty of Engineering & faculty of Pharmacy) was established in 2009, promoted by Brilliant Grammar School Educational Society's Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG Courses CSE, CSE-AI&ML, CSE-DS, ECE, EEE, MECH, CIVIL, and aiming for perfection in engineering and management education. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages co-curricular activities like seminars, workshops, symposiums etc.

ABOUT IPR CELL

An Intellectual Property Right (IPR) Cell has been formed to provide Knowledge by coordinating and conducting activities related to the Intellectual Property Rights in the Institution and also to create awareness among the stakeholders to save individuals work or ideas

ABOUT THE WORKSHOP

Entrepreneurs are defined as agents who bring about economic change by combining their own effort with other factors of production in search of economic rents. The institutional setup is argued to determine both the supply and direction of entrepreneurial activity. Four key institutions are explored more closely: property rights protection, savings policies, taxation and the regulation of labor markets. Institutions have far-reaching effects on entrepreneurship, and they largely determine whether or not entrepreneurial activity will be socially productive. Due to the responsiveness of entrepreneurship to the institutional setup it is maintained that in-depth analyses of specific institutions are required in order to further our understanding of the determinants of entrepreneurial behavior and the economic effects of entrepreneurship.

REGISTRATION

It is open to all faculties, Students and Research Scholars. No registration fee. Register on or before 20/10/2022 through the following link. [Registration Application form](#)

SCHEDULE:

ate & Time	Topic	Speaker
21/10/2022 9:30 am to 12:30 pm	The research methodology for studying "Artificial Intelligence Startups" typically combines qualitative and quantitative approaches to explore key factors influencing their success or failure.	Mr.P.S.L.P.RAJARAO, TKR College
22/10/2022 9:30 am to 12:30 pm	Surveys and secondary data analysis are used to assess performance metrics, business models, and technological advancements. The research design focuses on understanding the unique needs of AI startups, including regulatory, ethical, and funding challenges, while exploring the role of venture capital, market competition, and growth strategies.

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2008 with EAMCET Counseling Code **BRIG**. The college is under the dynamic leadership of the veteran **Director, Dr. S PENIEL PAUL DOSS, M.Tech (Thermal Engg.), Ph.D** and **Principal, Dr.CH.KANTLAM -PHARMACY**, who have more than 25 years of experience in Technical Education.

ABOUT THE DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering Department of grooms the young minds in both fundamentals of computation and computer's interaction with the world. Computer Science Engineers develop new algorithms, invent new systems and theories that empower people and society, and advance the science of computing around the world and beyond.

Our Vision

To be an eminent of center of excellence in the field of computer Science & Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

Our Mission

To impart quality education to create efficient computer Science & Engineering who can compete at the global level.

To build State-of-the-art research facilities in computer Science & Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.

OBJECTIVES

- .To offer quality education in computing..
- Take data and transform it into graphic drawings.
- Learn basic computer logical tools formats.
- Learn advanced programming skills.
- .Learning in Computer Science And Problem Solving

OUTCOMES

- Student's ability to hand letter will improve.
- Student's ability to perform basic Language techniques will improve.
- Students will be able to draw projections and sections.
- Student's ability to use engineering scales will increase.
- Student's ability to produce engineered Program skills will improve.
- Students will become familiar with office practice and standards.
- Students will become familiar with OOPs.

POST EVENT REPORT

Seminar on Intellectual Property Rights “Model specification”

17-11-2022 to 18-11-2022

Days	17 th November 2022 & 18 th November 2022
Resource Person	Mr. Bhaskar, Arjun College
Profile	He is well known Educational Trainer & Professor in Management Studies. There was a good interaction between students, Faculty and the Guest. How a Person can use and handle Workshop on Entrepreneurship, The Speaker shared Information in Entrepreneurship awareness workshops are a means of helping companies understand the importance of protecting their Entrepreneurship. These seminars help companies / Individuals protect their creations from being copied by others and retrieve their Entrepreneurship if stolen.
Topic	Intellectual Property Rights “Model specification”
Session Overview	Model Specification provides an in-depth exploration of how intellectual property laws apply to various models—such as technological, business, and creative models—particularly in innovation-driven industries. The session will cover key aspects of model specification, explaining how clearly defining the structure, components, and boundaries of a model is essential for securing intellectual property protections like patents, copyrights, and trade secrets.

ABOUT COLLEGE

Brilliant Grammar School Educational Society's Group of Institutions - Integrated Campus (Faculty of Engineering & Faculty of Pharmacy) is a highly reputed Institute, established in 2008 with EAMCET Counselling Code **BRIG**. The college is under the dynamic leadership of the veteran **Director, Dr. S PENIEL PAUL DOSS, M.Tech (Thermal Engg.), PhD and Principal, Dr. D. SATYAVATI, M.Pharm (Pharmacology), PhD**, who have more than 25 years of experience in Technical Education.

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius **Sri Kasireddy Narayan Reddy**, an eminent and dynamic educationalist of our state, taking reigns as the **Chairman** of all the colleges in **Brilliant Group of Technical Institutions**.

ABOUT THE DEPARTMENT OF MECHANICAL ENGINEERING

The department of Mechanical Engineering was established in the year 2013. The department offers B.E (Mechanical Engineering) Our mission is to create a research hub engaged in contemporary research in association with industries and other reputed institutions, impart best-of-class education to students with up-to-date curriculum and content in tune with industry requirements and foster a spirit of entrepreneurship among students to enable a few launch their own ventures. The department has highly qualified and experienced faculty members with some of them holding PhD and some are registered for the same.

Our Vision

To be an eminent of center of excellence in the field of Mechanical Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

Our Mission

To impart quality education to create efficient Mechanical Engineers who can compete at the global level.

To build State-of-the-art research facilities in Mechanical Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.

OBJECTIVES

- Learn sketching and taking field dimensions.
- Take data and transform it into graphic drawings.
- Learn basic engineering drawing formats.
- Learn basic **AutoCad** skills.
- Learn who draw 2D drawings in AutoCad

OUTCOMES

- Student's ability to hand letter will improve.
- Student's ability to perform basic sketching techniques will improve.
- Students will be able to draw projections and sections.
- Student's ability to use engineering scales will increase.
- Student's ability to produce engineered drawings will improve.
- Students will become familiar with office practice and standards.
- Students will become familiar with **AutoCAD** two-dimensional drawings.
- Students will develop good communication skills and teamwork.
