MAINTENANCE POLICY

1. INTRODUCTION

BRILLIANT GRAMMAR SCHOOL EDUCATIONAL SOCIETY'S GROUP OF INSTITUTIONS INTIGRATED CAMPUS owns and operates an extensive infrastructure to deliver its teaching, learning and research programs. The institution has structured system for maintenance and utilization of class rooms, computers and laboratories in the campus to ensure effective usage of the existing infrastructure facilities. The physical facilities are maintained by the Maintenance Team, which comprises skilled faculty for supervision and Lab technician for vice from Civil, Mechanical, EEE, ECE, Computer Science& Engineering and MBA Departments. The maintenance team is responsible for the uninterrupted power supply, maintenance of equipment like general lighting power distribution system. Solar panels, water pumps, etc. The request for maintenance is initiated through the service request form available, through which the particulars about the nature of maintenance is informed to the authorities for corrective action. After getting approval for the request. The maintenance team will attend, diagnose the fault and rectify it or else suggest for external services from suppliers or other service providers. If the service does not come under guarantee/warranty/free service period, quotations are received from the supplier i.18 well as from two other companies. Comparative statement will be prepared and submitted to the principal with the recommendations of the respective HOD. The maintenance Team members monitor the 'maintenance and cleanliness of the buildings, classrooms, labs, furniture. Campus ground. Sports facilities, staff lounges. Student's amenity areas, cafeteria and hostel buildings. Housekeeping services are maintained by then-house team and available during day time in all working days Roadside service and breakdown coverage services are undertaken by external services- Cleaning of vehicles, air fling and small repairs are undertaken by the transport department inside the college. Major repairs are carried out by exit automobile garages.

3. MAINTENANCE AND UTILIZATION OF LIBRARY

The library staff is clearly instructed in the care and handling of library documents, particularly during processing, shelving and conveyance of documents. The following steps need to be taken: Bound volumes are not to be sorted out from their foedts—this process weakens the binding. Shelves should not be fully packed. A too-full shelf can crack spines and cause Damage when a reader tries to remove a volume. Huge volumes need to be kept flat. Dust should not be allowed to deposit on the documents because the collection of dust causes staining of documents and promote chemical and biological problems. Cleaning and using vacuum should be done regularly and carefully. Magnetic discs or documents containing disc(s) should not be kept open or near any magnetic or electric equipment, i.e. tape recorders, air- conditioners. etc. such materials should be kept in a dust-free, temperature and humidity-controlled room. Proper pest management is done to minimize the problems caused by insects, Proper cleaning, fustigation and exposure to sunlight to the documents are done to reduce the effect of insects in the library. Repellents are used to save materials from Rats,

4. MAINTENANCE OF COMPUTING FACILITIES

The Computer Science department and Maintenance Team members maintain the computers, printers and servers. The annual maintenance includes the required software installation, antivirus and up gradation is undertaken by the team of technicians coordinated by the system administrator, To minimize-waste, electronic. gadgets like projectors, computers, printers, photocopiers are serviced and reused. Intercom lines, CCTV and Wi-Fi are maintained by system administration department of the college

Sub: - Annual Maintaine Contract for Service from 01.04.2022 to 31.03.2023.

How much good the system will be, it is necessary that periodic maintenance has to be done to derive a long and trouble free service. Which in view to avoid this, we are offering **Annual Maintenance Contract for Monthly Basis.**

Terms & Conditions:

- 01 The essence of the contract is that our Service Engineer will visit your place whenever you will face a problem and check up the system. Incase of any major repair he will bring to our service center where this can be properly serviced. All breakdown calls will be attended free of cost. **The contract covers non comprehensive i.e., only for service for 450 Computers, and Network maintenance Total = Rs. 11,000/- (Rs. Eleven Thousand only.)**
- 02 Replacement of spares/parts will be charged extra. The AMC shall provide on-call service for the system for a period of one year from the date of commencement of contract.
- 03 We will not held responsible any time to honour the agreement if it is found that the customer does not house the system in the environmental conditions specified by us for effective functioning of the system, viz input power 230 = or -10% with less than 5V between earth and neutral points, room temperature within 28 C humidity 50Hg + or - 10%.
- 04 The contract shall not be revoked/terminated during the currency of the contract. In case of breach of the terms and conditions of the contract. We are not liable to give any pro-rata refund of the AMC charges paid under the contract.
05. This agreement shall be governed by laws and shall be subject to the jurisdiction of Secunderabad courts only.

We trust that you will avail this AMC for a trouble free operation and give us an opportunity to be of service to you.

Thanking you

For SM Enterprises
