OUR VISION

To create world class facilities and ambience for advance level of teaching and practical training for attracting best students from the country and abroad greater emphasis on research and collaborative works with industries and other institutes.

To provide pro-eminent educational experiences which stimulate accountability to satisfy the needs of century and prepare our students for leadership in their profession and society.

OUR MISSION

To provide best in class facilities of teaching and practical training to the UG Students.

By developing technical manpower through interactive communication, training, short-term courses, seminars, group discussions, mock-interviews, etc.

In Collaboration with industries, academic institutions for providing real life projects.

To Inculcate professional behavior, strong ethical values, innovative research capabilities and leadership abilities.

VISION, MISSION OF DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

VISION:

To prepare graduates for a rapidly changing technological field and the faculty is to strive continuously in pursuit of excellence in education, research and train the students in a technically sound and challenging manner to pursue professional careers and to solve problems relevant to the best industrial practice of Electrical and Electronics Engineering design.

MISSION :

The Department of Electrical and Electronics Engineering provides a progressive environment for learning through systematic teaching methodologies, rigorous practical training and contemporary curriculum.

Actively engage and mentor students in scholarly and creative endeavors to develop the ability to navigate through a rapidly changing technology and society.

Faculty dedicate through excellence in teaching, exemplified by a free exchange of ideas, fostering new understandings through research and creativity.

VISION, MISSION OF DEPARTMENT OF MECHANICAL ENGINEERING

VISION:

To be an eminent centre of excellence in the field of Mechanical Engineering, where teaching, learning and research synergize to deliver technical education and scientific research for public good.

MISSION:

To impart quality education to create efficient Mechanical Engineers who can compete at the global level.

To build State-of-the-art research facilities in Mechanical Engineering in order to enable the faculty and students to learn and disseminate knowledge and innovate in their applications.

To foster the spirit of entrepreneurship and encourage consultancy to enable all round personality development in students.

To improve communication skills to excel in higher studies and placements.

To facilitate team work culture and improve the social standards and quality of life of graduates.

To improve the research activities of the students.

VISION, MISSION OF DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

VISION:

To become a center of excellence the computer science and information technology discipline with a strong research and teaching environment.

MISSION:

To provide qualitative education and generate new knowledge by engaging in cutting edge research and by offering state of the art undergraduate, post graduate, leading careers as computer professional in the widely diversified of industry, government and academia.

To promote a teaching and learning process that yields advancements in state of art in computer science and engineering in integration of research result and innovative into other scientific discipline leading to new products.

To harness human capital for sustainable competitive edge and social relevance by including the philosophy of continuous learning and innovation in computer science and engineering.

To provide inculcate team work, imbibe leadership qualities, professional ethics and social responsibilities.
