

Specific facilities provided for women in terms of:

1. Safety and security
2. Counselling
3. Common Rooms
4. Day care center for young children
5. Any other relevant information

1. Safety and security:

College premises and corridors are under CCTV surveillance to ensure the effective safety of the students. Well-trained security guards are deployed at key locations. Fire extinguishers are available in labs and corridors. Regular check on fire extinguishers is taken care by administration department. First aid box and fire alarm are provided in the main places of the college buildings. Department has a complaint box for the students grievances. Suggestions and grievances are timely redressed by the management. Students are instructed to follow safety norms while doing experiments labs. All students and employees of our Institution are allowed with ID card by our security at the main gate itself. The outside visitors will be allowed with passes. The two wheelers and four wheelers parking area are provided very near to the entry of our college and making pollution free inside the campus.

Safety and Security provided for the students at BRIG with CCTV Surveillance .

2. Counselling:

Mentors counsel allocated mentees in their academic and personal problems to create a fearless environment. In order to resolve day to day academic problems of the students, mentors are appointed for a batch of 20 students, and they will counsel the respective students twice in a month, to solve the problems come across during their course of study. This is a continuous process till the end of academic career of the student. Counseling is arranged by the college for girl students in three major areas i.e., Counseling related to academics, career and behavioral patterns. The counselor counsels the student on issues like personal, psychological, emotional problems and difficulties. It helps them to deal with stressful or emotional feelings and to inculcate the positivity in them.

A common room for Girl Students

Sanitary Napkin Wending Machine for Women

4. Day care centre for young children

Child care is one of the most effective ways that colleges can help their employees in completing their work without being worried about their child's welfare. Institution provides an on-campus care center which is much less affordable and high in quality. Over the years, Institution has maintained the day care with essential products and services. An In-charge looks after them and takes care of their needs.

Baby care center at BRIG to take care of Faculty children

5. Self-defense and Karate Program:

In these days and ages, self-defense is one of the utmost important things. Children are now getting abused and violated as they don't have that vulnerability and ability to fight back. Self Defense is the act of defending oneself, one's property or someone else from physical harm. Self-Defense is the method by which one can protect oneself with one's own strength. It involves various techniques but the first step towards it is Fitness. Learning self-defense through fitness is of prime importance as there are tremendous power imbalance and un safety where we live to day. Self Defense has an important role in the life of women. This also tends to break the stereotype about women. Self Defense is a skill which every woman should acquire to make their own and others live safer on a daily basis or whenever the situation requires. To attain and empower the students BRIG conducting Karate workshop every year.
