

LANGUAGE LABORATORY

"Language is the armory of the human mind, and at once contains the trophies of its past and the weapons of its future conquests" - S. T. Coleridge

The institute has a modern Language Laboratory with state-of-the-art audio-visual equipment to aid in imparting language skills. The Laboratory is effectively utilized by students and faculty members for various self-enhancement and soft skill development activities. Laboratory proves beneficial for those students who are poor in use of English language. Students from rural areas who are generally weak in English can have sufficient ear training in the language lab. It aims at confidence-building among students for interactions and presentations in English. The basic purpose of the lab is to provide students a platform to enhance English language skills, communication skills and to practice soft skills.

The main objectives of the Language Laboratory are:

- To equip the students with good communication skills.
- To emphasize the need of English in the technical world.
- To prepare them for interviews and future job environments.
- To train the students in the art of conversation and discussion.

Software details:
